

SAFETY RECALL

This recall is being conducted in cooperation with the U.S. Consumer Product Safety Commission

Select Extech EX612, EX613, EX622, and EX623 Clamp Meters
and EX540, EX542, EX570 Multimeters

Product Group – Clamp Meters	Affected Models	Serial Numbers Affected	Serial Numbers NOT affected
EX6XX	EX612, EX613, EX622, EX623	08XXXXXXXX – 10XXXXXXXX	AXXXXXXXXX
Product Group - Multimeters	Affected Models	Serial Numbers Affected	Serial Numbers NOT affected
EX5XX	EX540, EX542, EX570	09XXXXXXXX – 10XXXXXX	AXXXXXXXXX

With an extremely weakened battery, the affected instruments can display a zero or very low voltage reading while testing a live circuit with unsafe voltage.

This exposes a user to an electrocution hazard if the user contacts an energized circuit based on an inaccurate reading from the meter.

If you have one of the meters listed above, **STOP USING IT IMMEDIATELY**. Contact Extech to receive instructions on how to return the meter and receive a prompt replacement:

Visit www.extech.com/recall for immediate online recall processing, 24 hours a day, 7 days a week. Or, call 1-855-2-EXTECH (1-855-239-8324), 8:30 am to 5 pm, Eastern Time, Monday-Friday for assistance by phone.
